

General Mini-Rooter XP™ Cable Machines

- Power and value in one compact machine
- Cleans 1 1/4 to 4" lines

The Mini-Rooter XP's power cable feed clears clogged lines from 1 1/4 to 4" in diameter with just one machine. The drum easily holds 75 feet of 3/8" or 1/2" Flexicore® cable and features a free-floating inner drum to prevent cable tangling. For smaller drain diameters, use the optional J-drum. Fold down the built-in handle to fit the unit easily in your truck.

Includes: 75 ft of 3/8" Flexicore cable and Mini-Rooter cutter set. For replacement cutter set parts, see ad below.

Shipping: Ships motor freight.

DESCRIPTION	STOCK #	EACH
Mini-Rooter XP with 3/8" x 75' Cable	49807	\$

ACCESSORIES

3/8" x 75' Cable	49809	\$
1/2" x 50' Cable	49811	
Optional J-Drum with 1/4" x 50' Cable	49812	

1/2" cable is typically used for 2 to 3" lines,
5/8" cable for 3 to 6" lines and 3/4" for 4 to 10" lines.

operator notes

General
PIPE CLEANERS

Easy to switch the drum for both big and small jobs!

General Speedroooter XL® Cable Machines

- Root cutting power plus the ability to do small drain work
- 3/4-hp motor with capacitor start, overload protection and forward-off-reverse switch
- Cleans 3 to 10" lines

Switching to smaller jobs is easy with the Speedroooter XL. Just loosen the three knobs, tilt the motor back, and lift off the drum. Switch to 1/2" cable drum in less than a minute.

The power feed drives 3/4", 5/8" and 1/2" cables and has the pulling power to get your cable out of the line even on long, tough jobs. The 20-ft power cord, ground fault circuit and pneumatic foot pedal allow for easy operation. Getting to and from the job is simple since the Speedroooter XL has 10" wheels, V-belt stair climbers and a handle-mounted loading wheel to help you lift the machine.

Includes: 100 ft of 3/4" Flexicore® cable, 100 ft of 1/2" cable in small drum and COCS combination cutter set, which includes all items in the SRCS-R cutting set (below left) plus an arrow head cutter, 1 1/2" U-cutter, 2" side cutter blades, small retrieving tool and 13" flexible leader.

Shipping: Ships motor freight.

General Pipe Cleaners Toilet Augers

These toilet augers are guaranteed to go through any bowl or urinal. The closet augers have two layers of tempered spring-steel coiled tightly over a core of 49-strand wire rope.

The six-foot Teletube™ has the same construction as the closet augers, plus three extra feet telescoped into a guide tube. A grip clip located by the handle allows compact storage.
