All-Weather Hose Kits

PVC Hose Kits

Discharge Hose Kits

Rubber Hose Kits

### USABlueBook Hose Kits

• Easy-to-order kits include everything but the pump!

Combination hose kits come complete with suction hose, discharge hose and a steel strainer. Choose from kits with threaded fittings that include a spanner wrench, or kits with quick-connect fittings that include quick-connect pump adapters. Suction hose also features an NPT male threaded end for easy attachment to the steel suction strainer.

**Shipping:** Additional shipping fees apply. Select models ship motor freight. Contact USABlueBook for more information.

#### Combination Hose Kits

SIZE, ID	HOSE MAX		THREADED FITTINGS (M x F)		QUICK CONNECT FITTINGS (M x F)*	
	PSI	DISCHARGE	STOCK #	EACH	STOCK #	EACH
1 1/2"	70	75	52466	\$	52470	\$

2" (Female Adapter)	75	18208	
2" (Male Adapter)	75	18209	

See pages 528-534 for accessories to go with suction hose.

### Hose kits make ordering easy!

You spoke, and we listened! In an effort to make ordering hose easier, USABlueBook has put together a series of hose kits that include our most frequently requested suction hose, discharge hose and steel strainers. We've even included an installation tool (kits with lug-style connectors only). Now, instead of having to look up several different items, you can order everything you need in one convenient kit—all you need is a pump!
