

HOSE Hose Accessories

Aluminum & Polypropylene Cam & Groove Couplings

Aluminum female quick-connects have brass locking arms; polypropylene fittings have stainless steel. All locking arms are equipped with locking pins. Buna-N gaskets are standard in female couplings.

Quick Connect Polypropylene Pump Adapters

- 1 1/4" NPT(M) x 1 1/2" QC(M)

Many small sump and dewatering pumps have a 1 1/4" female discharge. To use the more common 1 1/2" discharge hose, we offer this coupling adapter.
