

Brass Hose Caps

Use these solid brass hose caps to seal off the end of your hose. They keep your hose clear of bugs and debris when not in use. 3/4" GHT(F).

Includes: hose washer.

DESCRIPTION	STOCK #	PACK
Brass Hose Caps, Pack of 2	16325	\$

Industrial Strength Hose Shutoffs

• The most rugged 3/4" GHT hose valve you can buy

This one is built to last! No plastic—solid brass construction. 3/4" GHT(F) x 3/4" GHT(M).

DESCRIPTION	STOCK #	EACH
Hose Shutoff	14560	\$
Adapter, 1" NPSH(F) x 3/4" GHT(M)	15196	

Quick-Connect Couplings

• All-brass construction

If you are connecting and disconnecting lengths of hose, nozzles, and sprinklers on a daily basis, use quick-connect couplings to make the job fast and easy. They screw on to existing hose threads. 3/4" GHT.

DESCRIPTION	STOCK #	EACH

Brass Garden Hose Couplings

High-quality construction!

Use these machined-rod brass garden hose couplings to expand garden hose to your desired length. They can also be used when replacing hose couplings due to damaged threads. Choose from male couplings, female couplings or complete sets consisting of both male and female couplings. Hose clamps required; sold separately.
