

Premium Hydrant Wrenches

- Rugged, reliable wrenches for a great price
- High-quality aluminum or steel construction

These lightweight, easy-to-handle wrenches are designed for strength and durability in harsh applications. Choose from nine different wrench styles.

- A** **Universal spanner wrench** is an all-purpose spanner. Its gas cock shutoff location provides maximum tool leverage and strength. Fits 3/4 to 6" rocker lug and pin lug fittings. Steel construction. Overall length: 10 5/8".
- B** **Adjustable wrench with double head spanner** fits pentagon heads up to 1 7/8" and square heads up to 1 1/2". The double hook spanner head fits 3/4 to 6" rocker or pin lug fittings, and offers a replaceable jaw. Steel construction. Overall length: 20 1/4".
- C** **Adjustable wrench with single head spanner** fits pentagon heads up to 1 3/4" and square heads up to 1 1/2". The single hook spanner head fits 3/4 to 6" rocker or pin lug fittings. Steel construction. Overall length: 20".
- D** **Adjustable Storz® wrench** fits 1 3/4" pentagon heads and 1 1/2" square heads. The spanner portion fits 4" and 6" Storz fittings, plus 3/4 to 6" rocker and pin lug fittings. Steel construction. Overall length: 24".
- E** **Adjustable hydrant wrench with pin lug** features a heavy-duty 1" chrome steel handle. It handles up to 1 7/8" pentagon heads and 1 1/4" square heads. It also fits 3/4 to 6" rocker and pin lugs. Overall length: 22".
- F** **Heavy-duty adjustable hydrant wrench** features extra heavy-duty construction and a 1" chrome steel handle. It handles up to 1 7/8" pentagon heads and 1 1/4" square heads. Overall length: 21 1/2".
- G** **Hydrant hammer** is an adjustable hydrant wrench and hammer built into one. The hammer head loosens or tightens long-handled swivels. Its rubber head is easy on fittings, and its comfort grip is easy on you. Handles 3/4 to 6" rocker or pin lug fittings. Overall length: 9 1/2"; weight just 2 1/2 lbs.
- H** **Storz spanner wrenches** feature compact lightweight aluminum construction with a silver powder coat and gas shutoff top. Choose from models for 4" and 5" Storz fittings, or for 6" Storz fittings. Overall length: 16".
