

DynaLite™ Sign Stands

- Universal attachment holds any 36" or 48" roll-up sign

Display 36" or 48" roll-up signs on these compact non-spring stands. Sturdy yet lightweight stands are constructed of powder-coated steel and aircraft quality aluminum, making them rugged and dependable.

Stands feature 22"-long legs that telescope to 38". The foot operated leg release quickly locks legs in one of three positions for storage or deployment on uneven terrain. A universal ScrewLock™ sign attachment firmly clamps to the vertical 1¼" fiberglass rib of any roll-up sign.

Note: Signs not included; order separately from the list below.

Roll-Up Signs for DynaLite™ and Stacker™ Sign Stands

Roll-up signs offer full-size signage in a lightweight and easy-to-store design. Choose from 36" x 36" or 48" x 48" sizes in reflective and non-reflective styles. Overlays are available for signs with "right" or "ahead" on them. The overlays cover and replace directional words so you can use one sign for several directions. Order sign stand separately. Signs will also fit Traffix and Zephyr sign stands.

Note: All signs include 2 flags. **Shipping:** Additional handling fees apply.
