

IRWIN® VISE-GRIP® 2-Piece GrooveLock Pliers Sets

- Anti-pinch, non-slip ProTouch™ grips provide comfort and control

Pliers feature a press-and-slide lower jaw. Ratcheting action lets you precisely position jaws onto your work piece with a simple push of the handle.

IRWIN® VISE-GRIP® 7-Piece Fast Release™ Locking Pliers Sets

- Easy no-trigger release allows for one-handed operation

IRWIN Fast Release locking pliers feature a 20% smaller hand span than the previous model for improved comfort and reduced hand strain. The one-handed, triggerless release is easier to open than traditional locking pliers, and a redesigned textured grip zone helps improve user control. Adjust pressure and fit by simply turning the hex adjustment screw.

MFR #	Description	Jaw Capacity
