

# FLOW METERING Meter Brass

## Meter Flange Packs and Kits

• Buy only what you need—available with and without flanges

Here's everything you need to plumb 1/2" and larger flanged water meters. Choose from flange packs or kits.

**Packs include:** hardware (nuts and bolts) and a pair of drop-in style gaskets. **Kits include:** all of the same plus a pair of flanges. Flange interior is NPT(F) threaded so you can screw it onto the water line. May be used with S x MIP adapter if using PVC pipe.

### Meter Flange Packs (No Flanges Included; SS Hardware)

METER SIZE	FLANGE SHAPE	# OF BOLTS	STOCK #	EACH
1/2"	Oval	2	62353	\$
2"	Oval	2	62354	

### Meter Flange Kits (with Flanges)

METER SIZE	FLANGE SHAPE	# OF BOLTS	STOCK #	EACH
<b>NO-LEAD BRASS FLANGES &amp; STAINLESS STEEL HARDWARE</b>				
1/2"	Oval	2	73196	\$
2"	Oval	2	73197	
3"	Round	4	73198	
4"	Round	8	73199	
6"	Round	8	73200	

### CAST-IRON FLANGES & ZINC PLATED HARDWARE

1/2"	Oval	2	62288	\$
2"	Oval	2	62289	
3"	Round	4	62290	
4"	Round	8	62291	

## Meter Adapters

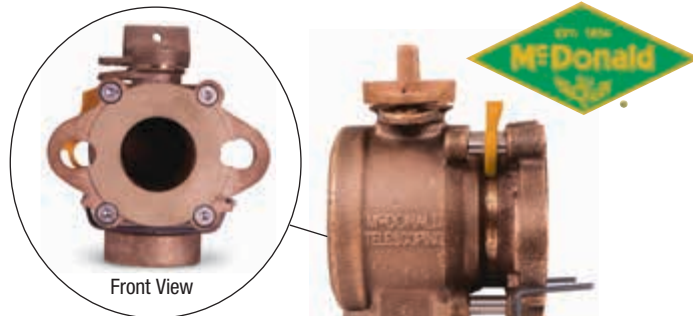

Adapters change both the meter thread size and the lay length. Bushings change the meter thread size.

DESCRIPTION	# FITTINGS REQUIRED/METER INSTALLATION	MFR #	STOCK #	EACH
Adapter, 3/8" x 3/4" to 3/4"	1	710J23	73111*	\$
Adapter, 3/4" to 1"	2	710J34	73112	
Bushing, 3/8" to 3/8" x 3/4"	2	10J12	73110	

\*Includes gasket.

INLET TYPE	OUTLET TYPE	MFR #	STOCK #	EACH
3/4" Female Iron Pipe Union	3/4" Male Iron Pipe	711-3FP33	48811	\$

90° Angle Valve  
99925

Straight Valve with Meter Swivel Nut  
31655

Telescoping Flange Only  
31653

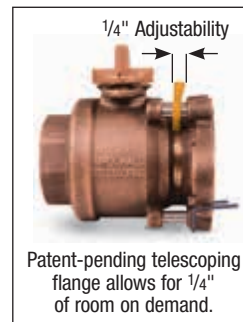

## Meter Valves with Telescoping Connections

- Retractable flange or swivel nut allows 1/4" spacing in meter installations
- PTFE-coated brass ball with EPDM port seals
- Rated for 300 psig water pressure

These innovative, robust meter valves make meter installation and replacement easy. They feature a patent-pending telescoping connection that allows for 1/4" of room on demand. An attached flip-down spacer ensures full extension of the connection.

Choose from valves with oval flange face or meter swivel nut connections. A straight flange connection without ball valve is also available.

**Includes:** one gasket for connection end.

INLET SIZE	OUTLET SIZE (TELESCOPING CONN.)	MFR #	STOCK #	EACH
<b>90° ANGLE VALVES WITH TELESCOPING CONNECTION</b>				
3/4" NPT(F)	3/4" Meter Swivel Nut	7E4644B	31654	\$
1 1/2" NPT(F)	Oval 1 1/2" Meter Flange	7E4604B	31651	
2" NPT(F)	Oval 1 1/2" & 2" Meter Flange	7E4604B	99925	
<b>STRAIGHT VALVES WITH TELESCOPING CONNECTION</b>				
3/4" NPT(F)	3/4" Meter Swivel Nut	7E6101MW	31655	\$
1 1/2" NPT(F)	Oval 1 1/2" Meter Flange	7E6101MW	31652	
2" NPT(F)	Oval 1 1/2" & 2" Meter Flange	7E6101MW	99926	
<b>TELESCOPING FLANGES ONLY (NO BALL VALVE)</b>				
2" NPT(F)	Oval 1 1/2" & 2" Meter Flange	7E610FD	31653	\$
